
ELEMENTARY PERSONAL AD

MALE CHILD. 7 YEARS OLD. ERR (EMERGENCY ROOM READY)

Looking for other boys who like to play football, baseball, basketball, hockey, soccer, and kick ball. Also must like Nerf® gun fights, wrestling, and building forts out of blankets and chairs. Must not like girls.

Likes: Dirt clods. Sword fights. Jumping off high things. Picking scabs.

Dislikes: Getting picked last. Cheating. Cutting in line. Arm casts. Mom cleaning my face with her spit.

Favorite Quotes: That's not fair!, But whyyyyyy?!, Do I have to?, Hey, watch this! I won't get hurt Mom.

MALE PARENT. 38. MEN (MORE ENERGY NEEDED)

Looking for a little peace and quiet before I'm called to tickling, tackling, or teasing the kids until they cry or laugh, whichever comes first.

Likes: Anything that plugs in with lots of colorful buttons, HD, and sports stats.

Dislikes: Anything that has batteries that must be manually replaced because I never have the right size; anything that whines, cries, tattles, or makes a mess.

Favorite Quotes: Does it look like I think that's funny? Boys will be boys. Go to your room. That's enough. I can't hear (or see) the TV. You think I'm made of money?
