
PRESCHOOL PERSONAL AD

FEMALE CHILD. 3 YEARS OLD. ABC (ALWAYS BRING COOKIES)

Looking for piggyback rides and a good place to pick flowers.

Likes: Juice and cookies are good. But I can get it myself. My zipper gets stuck on my jacket. I want to zip it myself, but I can't. I color a lot.

Dislikes: That is my cookie. Mine. Mine! Give it to me. I have a sister. She rides her bike in the street and one day I can too. I don't like the dark or taking a bath. I really don't like taking a bath in the dark.

Favorite Quotes: No. I don't want to eat that. No. I don't want to share.

FEMALE PARENT. 32. WAC (WANTING ADULT CONVERSATION)

Looking for places to hide from the mess and the constant questions.

Likes: Edible leftovers from my kid's lunch because they don't require deciding what's for dinner, bubble baths minus the toys, cleared-off countertops.

Dislikes: Being on duty 24/7, 365 days a year, mismatched or missing socks, the inevitable spill on a just cleaned floor. That smell that won't go away...you know what I'm talking about.

Favorite Quotes: Here, let me help. Yes. No. (repeat)
